County Bexar

City San Antonio

Animal Weight (in Pounds) 113

Date of Reported Weight 12/31/2021

Description

Howdy y'all, Im in the AG program at James Madison High School and im currently raising a lamb. My lamb, Eiji's classification is a Southdown and he weighs in at 113 lbs. He has been to multiple shows claiming 2nd place and 3rd place ribbons inside of his weight class. My journey with Eiji has been anything but easy. He was quite the stubborn one at first and it took a long time to get him to walk and show properly. But the more I worked him the better her got and now I've placed 1st with him. The money y'all donate will be put towards college.

Quantity: 1
