Description

Hello! I would like to start off by thanking you for taking the time to learn about my project and considering making a donation. I joined the James Madison FFA in 2020. I raised a goat last year and decided that I really wanted to try out raising a pig this year and I am so glad that I did! It has been such an amazing experience that has taught me so much. Through this project I have learned about key things to look for when picking a pig to purchase, how to bid at auctions, trying different feeds and supplements to get my pig looking the best for show, showing at several prospect shows, and all of the day-to-day care needed to raise a healthy and happy pig. I spend on an average of at least 1 hour per day cleaning, feeding, walking and spending time with my pig that I named Van Gogh. He is a Dark Crossbreed that I purchased on Sept. 5th at the Meyer Showpigs Farm Sale. Van Gogh was born on July 24, 2021 and was only a little over 1 month old when I purchased him! It has been so cool to see how fast he has grown and how much of a personality he has in the past several months. I am really hoping that next school year I will be able to raise at least 2 pigs!
