Description

Hello my name is Makena-lei Harris,

I am a FFA SWINE raiser here at James Madison .I received Cheech in 21' September and ever since I have been working with him . This is my first time raising a pig and it truly opened my eyes to my true passion of raising swine . Cheech has taught me that even if we have "failed" , WE still won in OUR hearts because WE gave it OUR all . He has taught me to stay consistent, to be patient . I had to learn how to work with a 220 pound animal when I'm barely 94 pounds, but it was never impossible to give it my all . Hard work pays off even if you've "failed". Cheech is going to be sold at the San Antonio Rodeo in February and he would love to see y'all's faces for the last/first time . Next year will be my senior year and my goal is to raise 3 pigs maybe 4 ;) . It would be a huge thank you to you if you'd like to donate towards that fund. I also won 1st place in the bread category for baking . It was super fun and I hope I can do it again next year:)

Cheech's last practice show will be January 8th 2022 held at the North East Ag fair where donations are very much appreciated:) I would like to thank all of my family, friends, teachers and piggies for all of y'all's support .
