Description

Hello, My name is Gabi and I am a Sophomore at Madison High School. This is my second year raising hogs. This year I am raising two hogs, a Spot named "Titos" and a Berkshire named "Milo". Titos currently weighs in at 220 lbs and Milo at 169 lbs. Both currently eat 3 cups of feed twice a day. My time is spent feeding and walking my hogs twice a day including weekends and holidays. That also includes finding a pig sitter when I am out of town with family. I also make sure that their pins are cleaned daily and wash them weekly. I love spending time with my hogs and caring for them.

This school year, I have participated in four prospect shows where Titos and Milo have placed fourth and fifth place at two of the shows. Last weekend I participated in the NEISD Ag show where Titos placed second and third place with Milo. The next shows I will be preparing for is San Antonio Stock Show Rodeo where I will be showing Titos and the Houston show with Milo.

It has been a great learning experience these past two years raising hogs. At the end of each year it can be hard saying good bye to my hogs but I understand that I have raised good hogs that will benefit our population. The responsibilities that I have learned will help me in my future career. I want to continue working with animals after high school and be able to raise enough money to purchase three hogs for my junior year.

Thank you for your support!
