Validation Tag or Show reference# 28924

County Bexar

Animal Weight (in Pounds) 1019

Date of Reported Weight 01/03/2022

City San Antonio

Description

Howdy y'all! My name is Michelle Medina and I am currently a senior at James Madison High School at their Agriscience Magnet Program. These past 4 years I have learned a lot from showing lambs and a steer it has taught me many life skills, and has shaped me into the person I am today. Outside of the barn I am extremely involved in the FFA. In 2019, my team and I had the privilege of competing at the annual National FFA meeting where we brought home the National Championship in Agricultural Issues Forum. I have competed on many speaking teams in my high school experience which lead me to running for leadership roles within the organization that I love. This past year I was able to serve my community as a District officer, and this year as an Area officer. Though this opportunity I have been able to travel all around Texas meeting new people and share my love for agriculture and FFA with them. This year in the Fall I will be attending a 4 year university in the great state of Texas. All funds received though this project will go to finishing my project out til majors and will go towards my college education. Thank you for

your time and I hope you'll consider helping me continue the pursuit of my passion for agriculture!!
