Description

Hi my name is Bailey Sutton , I am a senior at James Madison high school and This year I am raising pigs . I am currently raising an all black cross barrow who's name is cojo after my favorite country artist . he is such an amazing pig although he can be a handful; even though this is my first year showing pigs I have really enjoyed it . This has been such a great learning experience just getting to know him and him getting to know me , he has such a spunky personality and loves to play and run around . This pig has been one of my biggest joys this year and with this year being my last chapter show I would love to go out with a bang which is nothing short of my pig . Working just as hard as me he has made me so proud working early in the morning until late in the evenings walking and practicing he really has made this all worth it even though I know our time is coming to an end but I could not have asked for such an amazing boy such as him . This may be his last chapter show but he still has one more final show and

with your bids you all would be helping me feed him better and help me work and work to make sure all his potential is shown at his next major show . So please show cojo some love .
