## **Description**

Hello! My name is Londyn Hall, I am a Junior at James Madison High School, and this is my 4th year raising Bovine. This year I have had the opportunity to raise two steers and two heifers. It has been a lot to manage while in the midst of my hardest academic year, but I have grown through it all and enjoyed the process. Throughout, I have learned time management, responsibility, and patience throughout the transition from calves to steers and heifers. I am thankful for the plentiful opportunities I have been given and grateful for the people that made that happen.
