**Last Name** Rangel

**FFA Chapter or 4H Club Name** James Madison FFA

**Validation Tag or Show reference#** AR1-4

**County** Bexar

**City** San Antonio

### **Description**

Howdy! I am a senior, Class of '22, at James Madison High School and a part of the Agriscience Magnet Program there and a James Madison FFA member. I am beyond grateful for the experience, characteristics, knowledge and morals I am able to learn and grow from being active in raising my rabbits and being part of the Poultry barn here on campus. I've always loved being a part of an animals life and having the opportunity to care for them, so be assured that I care for my animals with a genuine heart/love and deep care. The money I receive will be a huge support and will be used to help me with my future after I graduate high school. It has been an honor being able to experience such an amazing and beautiful opportunity and hope that I can continue to aid my animals in their health while I have them. I believe that hard work and having respect for others, including all living things, is extremely necessary for success, and that's what I strive to do to have a positive impact on the people, and animals, that I come in contact with and get to know. Thank you! :)
