**City** San Antonio

**Animal Weight (in Pounds)** 113

**Date of Reported Weight** 01/05/2022

### **Description**

Howdy! My name is Reagan DeCoulaz and I am a sophomore at James Madison High School in San Antonio, Texas. This is my second year being involved with FFA and showing a lamb. I will be showing at the James Madison Ag Fair on January 8th, 2022. I will also be showing at the San Antonio Stock Show in February. Raising an animal is very time consuming and takes a lot of hard work. This is my Southdown, Beau, who I purchased on June 11th. Since then, I have been in the barn every day to care for him and work with him so that we can both reach our full potential. I have been successful in showing and won reserve champion for my breed at the Fall Challenge show. I have learned useful life skills through raising an animal that include time management, responsibility, determination, caring for animals properly, and even how different feeds and supplements work. Thank you for your support and any donations I get will go towards my next project, as I plan to raise another lamb, or two next year!

**Quantity:** 1
