### **Description**

Howdy, my name is Kayla Truque and I am a junior at James Madison Highschool. This show season I am raising 3 market barrows, and much like kids you have yourself the angel child, the calm one, and the crazy one. Leroy my cross is my angel child. he does exactly what he's told all the time all he expects is food in return. He is however the most vocal of any pig I have had, he will strut his stuff like none other but sure enough you can hear him "talking" a mile away. Omega my Hamp is my calm child if you let him, he will sleep all day and take bites of food in between. Now Archie he's my crazy child. As stubborn as the will of kings that one, it's his way or no way. together they are like 3 peas in a pod each personality complementing the next and I wouldn't have it any other way! From time management to patience, I have learned so much from these boys and have had a blast doing it! I am so eager to see what my pigs have in store for me!
