Validation Tag or Show reference# 00717

County Bexar

City San Antonio

Animal Weight (in Pounds) 67lbs

Date of Reported Weight 01/05/2022

Description

My 67 pound wether is a sweet and very loving boy; but knows how to wow the judge in the

show ring with his well proportioned body, broad chest, and amazing drive.

His muscles and great drive helped him place 3rd out of his class in the North East Ag Fair. At

every show we've gone to the judges always compliment his nice loin.
