City San Antonio

Animal Weight (in Pounds) 86

Date of Reported Weight 01/05/2022

Description

Hi- My name is Sierra Gonzalez. This is my senior and final year to participate in the Agriscience Magnet Program at Madison High School. I have been involved in many different projects and programs and have had so many great experiences during my time here. One of the most rewarding parts of my participation in the program has been raising goats. I have raised a total of 6 goats over the last 4 years. I am currently raising 2 wether market goats. I placed Grand Champion and Reserve Champion in the goat show at this year's NEISD Ag Fair held at Madison High School last weekend. I also submitted a Pallet Potting Table as a wood working project for the NEISD Ag Fair. My long-term goal after college is to work in a field involving animals. The monies I earn throughout the different shows will go towards my future education. I would appreciate and donation that you can give to support my future goals. Thank you in advance for your support and generosity.
