Description

Hello, my name is Robyn Loehs. I have been part of the James Madison FFA chapter for the past three years. Last year, I was part of the Varsity Livestock Raiser/Feeder program, and had a great time raising my second goat, Eliza. This year, I am a senior here at Madison, and my wether, Philip and I are having a great time with each other! Philip is scared of his own shadow, but can be very sweet when he chooses to be. Keeping with my Hamilton theme, I decided to name him Philip, the name I had in mind for when I got a wether. He does have some similarities with the character, as he is quite bold sometimes. In the program I have participated in the Radio Broadcasting LDE Team, where my team and I placed 3rd in District. I have also been a part of my school's National Honor's Society for two years now. In addition, I am a part of the Guide Dogs for the Blind program, and have raised a guide dog puppy for almost a year. I love giving back to my community by

volunteering where I can, and offering to take care of pets. As an artistic person I have a very imaginative mind, so I am pursuing a career in animation! I have been accepted into the University of Texas at Dallas in order to achieve my goal. The money I receive will be going towards my college and scholarship funds. Thank you so much for reading through this, and I hope you have a great day!
