## Description

My name is Katie Burnett, I am a member of Fannindel FFA. This was to be my first year to show at the Houston Livestock Show and Rodeo. My Gray Brahman heifer Bug and I were very excited to show in Houston for the first time. We were told minutes before we were to unload that the show was cancelled. My fellow Fannindel FFA show team members and I were devastated by the news. Any donations will be used towards continuing my project for next year. Thank you for your support!
