**Description**

Hey y'all! My name is Nathan Rawe, and I am having a premium auction for my lamb, Louie. Louie is my third market lamb, as I have been raising lambs since my sophomore year. He is a finewool, and is currently 105 lbs. I have been raising him since July, and he has been on my mind ever since! I feed him two to three times a day, as well as walk him/exercise him multiple times a week - spending a cumulative 7-14 hours a week working with him. At this show, The North East Ag Fair, he placed 3rd in his class. The end goal of this project is to show him at the San Antonio Stock Show in mid February. The funds raised from this auction would go to two major areas. One, working to pay back the money I have spent raising lambs for the last three years. Two, I am a senior, so college is coming up, and a big chunk of these funds would go straight into paying for college. Thank you so much for your support and checking out my lot!
