### **Description**

Howdy! I'm Anna. I am raising 2 goats this year at Madison High School. I have a wether and a doe. My wether's name is B.O.B, short for Big 'Ol Boer, and my doe is CeCe, short for Champion Caprine. This is my second year raising goats. This program has given me the opportunity to teach me responsibility and develop my knowledge of animal care.

In addition to raising goats, I am also in the youth group at my church. I enjoy volunteering in my community and helping others. In my free time I enjoy being with my friends, roller blading, swimming, reading, writing stories, and role playing. I love my pets. I have dogs, fish and a hamster. I enjoy horseback riding every week.

My dream career is to work with animals. I would like to be a vet and to make a difference in the lives of animals.
