Animal Weight (in Pounds) 60, 70, 55

Date of Reported Weight 01/08/2022

Description

Hello, my name is Jax Press. I am a Junior in the Agriscience Magnet Program and am a member of James Madison FFA. I work in the welding shop and am raising three goats this year as well as, competing on the Tractor Tech Team and trying out for the Welding Team. Over the last three years I have raised goats, competed in Tractor Tech and was the President on my Chapter Conducting team. During the NEISD Ag Fair I placed 3rd and 4th in market goats and received Light Weight Reserve Division Champion. I also enjoy helping other students with their goats and being a part of AMP.

Your donations would be used towards future projects, as well as feed and supplements for my goats.

Quantity: 1
