Description

My name is Trace Harris, and I am a senior at Poth High School. I have raised poultry since the third grade and have spent countless hours with this project as well as steers, heifers, and lambs. I have learned many lessons and met more friends than I ever imagined. I will attend Texas A&M this fall and pursue a degree in Animal Science with a double major in Poultry Science. I will compete on the Texas A&M Rodeo Team while attending school. Any donation that I receive will be used to offset my project expenses and pay for college. Thank you and God Bless.
