Description

This is my 3rd year showing rabbits and my first year showing at the South Texas State Fair. I am a freshman at Jasper High and enjoy cheerleading, running cross country and soccer. I am thankful for my parents allowing me to raise rabbits to teach me responsibility and leadership qualities that I can use later in life. I will use the earnings from my rabbit pen to fund my project next year and what is left over will go into my college account. I plan to go to college to become an orthodontist.

Thank you for supporting my rabbit project and other 4H and FFA projects in Southeast Texas. Without your generosity, we would not be able to continue these projects.
