Description

Hi! My name is Abby Grant, I am a junior at Mcneil Highschol in Austin Texas. This was my second year of showing but first year of showing goats and I had a blast. I am sad to say that my first year of showing goats didn't end on such a high note with rodeo Austin being cancelled. Due to the show being cancelled we had to get rid of our animals quite quickly since they were held on school property and we were asked to have them off as soon a possible because they wanted very few people on campus. It was sad to see the show season end the way it did but I very much enjoyed getting to show at the Travis County Youth Livestock Show and all the jackpots I attended. Along with the dedication to my livestock projects this year I also got the chance to serve on the FFA Brush Creek District team as the 2019-2020 president and the McNeil FFA chapter team as the 2019-2020 secretary. In the coming months I plan to run for an Area 12 FFA Officer position as well as a McNeil FFA Officer position. Next year will be my senior year so my last year of showing and I am currently planning to go out big with the possibility of getting two pigs and a goat or two. Thank you for your support to me and the livestock community.
