**Description**

My name is Trevor Denard from Whitney Tx , I show for the Whitney 4-H. Here we have Peanut (tag-78301), one of my two steers I had picked out to end my senior year of showing. I bought this black cross steer from Sullivan ranch (Hillsboro Tx) on May 7, 2019. Peanut is a No Surprise (Monopoly x Legally blonde) x DSUL blue 8523 who is a (Vegas/ 356 angus cow). This calf was a small little calf who no one liked just

because of his size but I believed he had the right parts to be a good show steer for me for my last year to show. I'm offering him on this premium sale in hopes that maybe somewhere someone will be able to put on a show and I'll get to show him one last time to end my year with a good show. And with this sell I'll use this money to help pay for my schooling to become a embryologist. Thank you for your donations and time for helping me and all the other kids out there.

Quantity: 1
