### **Description**

This is Gypsy Lou, Gypsy is a Hampshire Cross. I acquired her from a breeder in Splendora, Texas this past October when she was just about 45 pounds. Gypsy is a pretty calm pig who catches onto things pretty quick so I could say that working with her and training her went pretty smoothly. She is one of the sweetest pigs I have raised so far and by far my favorite, Gypsy has taught me to be patient and to never give up for there is better things ahead! I always stay in touch with my breeder when i have any questions and he's always there to answer and help out! And fortunately we haven't had any problems with her being sick or not eating right this show season which I am very great full for!
