Hello, my name is Emilee Barnes and this is my market goat Cash! I am a senior at Merrill F. West High School, and I served as our chapter Vice President and I've been an active member of FFA since I was a freshman. Cash is my 73 pound market goat this year from Went Show Goats in Nebraska! I bought Cash at the end of January and he has been my partner in crime ever since. We have gone to jackpots, my high school FFA week, and petting zoos this year all in part with FFA. During my last four years of raising market goats, the biggest thing I have learned is the amount of effort, time, and energy put into my projects, always pays off in the end. I love working with goats, and I have also dedicated lots of time to five breeding goats that I am also showing at fair this year. Overall, I will definitely cherish this fair experience as it is my last as a senior. I have gained friendships and knowledge over these past four years that I will never forget. Now, I'm heading to Oklahoma State University to major in animal science, go pokes!
