Dear Potential Buyer,

Hello, my name is Natalie Giuntoli, I am 15 years old. I am from the Escalon FFA club. This is my fourth year showing a beef market steer. I plan to continue raising market beef animals for the remainder of my showing career. I have learned so much from this year and raising a market steer such as time management and working around my school schedule and responsibility like making sure he is fed at the same time everyday.

This year I raised a Semi-Angus steer that I named Elvis. Elvis is a spring born calf I bought from a cow-calf operation in Yuba City, Ca. His Dam is simmental and his sire is a semi-angus bull. He is $\frac{3}{4}$ simmental and $\frac{1}{4}$ angus.

I have been feeding him 24 pounds of Rival Beast Cattle Show feed everyday for the past 7 months starting at 10 pounds a day and working it up. I have also added a supplement that helps with turning fat into muscle called "GoldenFlo". I just mix it in along with the feed every morning and night.

Thank you for your time and consideration.

Sincerely,
Natalie Giuntoli
