Hello, my name is Kaia Machado. I am twelve years old and I just finished sixth grade at El Portal Middle School in Escalon. I am a member of the Farmington 4-H. This is my first year doing a market sheep project.

This year I have worked hard training my market sheep Cyrus! I have been working with Cyrus on a regular basis so that he will be ready for me in the show ring. In the beginning, he did not like to be walked or have his legs touched. I have learned about perseverance, self-discipline, and responsibility while working with Cyrus. I'm so excited to take my sheep to fair!
