Description

Hello my name is Katie Schallberger and I am a part of the Alpine-Victor 4-H Club. My project this year is a dairy replacement heifer and I have had ownership over her since late January. My heifers name is Pepper and she is due in mid July.

I have been raising dairy replacement heifers for Agfest for the past four years now. My family has been very supportive of my projects and involved in the dairy industry for a very long time. Growing up around dairy peppers my whole life has led me to enjoy working with them for Agfest.
