Hi my name is Annamarina Ruiz, showing with TOKAY FFA I am in 12 grade soon to graduate, this is my 4th year I will be showing my market goat at AG fest. I have enjoyed every year, learned many techniques, experience, and worked really hard to make myself and my goat look very good, and prepared for this years Ag fest. I have made many memories with my goat buddy, he's showed me a lot of ways to make me have patience and the work experience to train him. This was a very busy and busy year. I hope for you to be interested with buying buddy, and getting him off of my hands. Thank you
