Kathleen Goff - Tokay FFA

Start Time: 6/18/2022 4:00 PM

End Time: 6/18/2022 4:00 PM

Hi!! My name is Kathleen Goff and I am a four-year member of the Tokay FFA Chapter. This year I've decided to raise a Market lamb for the 2022 San Joaquin Ag Feat. As of June 1st, my lamb weighed 130lbs and he is expected to weigh around 140lbs by show. Over the past few months, I've been working extremely hard to raise my lamb, train him, keep him healthy and happy, and prepare him for market, I spend 2 hours every day working with him and thus far I've invested approximately 180 hours into the care and handling of him. I've also invested around \$650 into my project, which includes the lamb himself, feed, rent, miscellaneous supplies, entry fees, and veterinary expenses. I've worked very hard and I would love and appreciate your support at market. With the proceeds I will be paying off my loan from my lamb as well as putting it into a savings fund for my college education, I want to become a botanist in my future and plan to attend Humboldt after my two years at Delta. Thank you so much for considering purchasing my lamb as well as supporting my fellow members. The support from you as a community is always so inspiring to see! Thank you!!

Quantity: 132
