Description

Hey, my name is Orion Flores and this year I took on the challenge of raising a market lamb. My lamb is named Lainey and she is 141 lbs. During my project, I exercised her for 20 minutes a day, fed her, made sure she had fresh water, and practiced bracing her. I am super excited to see the outcome of my project and I would like to say a big thanks to those that have supported me throughout it.
