Dear Buyer,

My name is Kathleen Morelos and I am a member of Tracy High FFA, Jefferson 4-H and Lockeford Grange. For the 2021-2022 year I served as Secretary for Tracy FFA Chapter, Jefferson 4-H Club President as well as the Lockeford Grange President. I was currently voted by my peers as the 2022-2023 Tracy High FFA Treasurer. I am also currently serving on the Junior AgFest Board as President. 2022 is my 8th year attending a county fair. I will be showing two Market Steers named Butterball and Felix this year at AgFest. My two steers are products from my own herd and I have raised them since they were born. Butterball, Felix and I have traveled up and down California attending many Jackpot shows. Tuesday, June 14th and Wednesday, June 15th we will be competing in the Market Beef and Showmanship classes. I would love to see you Saturday, June 18th at the AgFest Livestock Auction. If you are unable to attend the auction please visit <https://sanjoaquinagfest.org/agriculture-education-scholarship-program/> to donate to my scholarship fund. I will be selling my Market Steer in hopes of raising money for my college fund and future cattle projects.

Sincerely,

Kathleen Morelos
