Description

Hi, my name is Grayson Sousa. I am 10 years old. I am a 4th grade student at Van Allen Elementary. This year I received the Viking Award and made honor roll. On my free time I play video games with friends and cousins, I also serve at my church, and I've played the piano since kindergarten.

This is my first year in Farmington 4-H. I like playing games at my 4-H meetings. In Farmington 4-H I have chosen to show a pig. I bought my pig in February 2022. My pig's name is El Chopo. My sister named my pig. She rhymed with our roosters name El Guapo and came up with El Chopo. El Chopo in Spanish means shorty. He appears to be a Yorkshire. Since I've had my pig I feed him 2 times a day, I've learned to use a food scale to weigh his food to control his weight gain, also I have learned to walk him, wash him, and he has learned how to stand on his scale to get weighed every week. So far he weighs 248 pounds. To keep my pig safe from predators I have

learned how to set up a hot wire. Also to keep my pig happy and comfortable I set up a fan and misters to help with the heat. Thank you for bidding on my pig.
