### Description

Hi, my name is Faith Fauchier and I am a Junior at Ripon High school, I am also a member of the Ripon FFA chapter. This is my second year in FFA and my first year raising and showing a market Hog for our county at the San Joaquin AgFest. This year I decided to raise and sell a Hog. I wanted to raise an animal at first because it seemed like fun and because my dad showed animals with FFA when he was young and he had a lot to show for it like awards, skills, and FFA projects. I also wanted to do this project because I love farm animals. But over these past few months, it became more than just doing it for fun. It was a hands-on experience. I learned how the animals that we eat need to be treated and the work that goes into making them healthy and healthy for humans to consume. This is why I've put so much time into my Hog, to ensure he is in the best shape he can be. My Hampshires name is Elliot.
