Hello,

My name is Makenzie Morris and this is my first year raising, showing, and selling a market lamb with my 4-H club. I am so excited to go to AgFest this year, since it's a new experience for me. I will be showing my wether named Romeo. He was born around November 2021 and has been living at my home since January 2022. I have been caring for him every day since he came home. He is a very friendly lamb. I have learned so much this year about the care and raising of a lamb. I am very grateful for the amazing team of the Linden 4-H club and for all of their help too. I hope you will consider buying my lamb this year at AGFEST, and helping me reach my ultimate goal of selling him.

Thank you so much,

Makenzie Morris
