Description

My name is Katelyn Villafano and I am a Sophomore at Vidor High School. I am blessed to have had the opportunity to exhibit my poultry project at the South Texas State Fair this year. I dedicate many hours in the morning and the afternoon working with my animals and getting them ready for their respective shows. I would greatly appreciate your support this year as I prepare for next years projects. This is my first year showing livestock in the FFA and it has been nothing short of amazing. I truly have a passion for showing market lambs and market roasters. The amount of knowledge I have gained is unimaginable. I am thankful for the opportunities God has blessed me with, and the help and support shown by my parents and Ag Teachers does not go unnoticed. None of this would be possible without your ongoing support for myself or my fellow exhibitors. Thank you again for supporting the agriculture industry and all those involved.
