### Description

My name is Hunter, I am 14 years old, and this is my 2nd year showing Californian rabbits. Last year I competed in YMBL and in our Hardin County Show in October where I won a buckle for Showman Ship. This year with the increase of prices from feed to fuel the prices of kits (baby rabbits) from our regular breeder also increased. With the increase our family decided to breed our own. This experience has taught me how to care for the pregnant doe and the kits from birth. I learned what to watch for, such as when to wean the kits and when to separate them. I also learned just how much of a difference in the brand of feed can make in the growth of the kits. Breeding our own rabbits has really been a great learning experience for our family and gave me the opportunity to fully appreciate what it takes to breed and raise show rabbits.
