Description

Hello, my name is Lauryn Houser and I am a Junior at Lumberton High School. This is my first ever show lamb, but definitely not my last. I got my lamb in October 2021 from an amazing, and extremely helpful breeder in Cleveland Texas. Also, for the record, his name is Gordon Lambsey. Since then I have spent plenty of early mornings and late nights working, bathing, shearing, and exercising my lamb. All from halter breaking to working on my showmanship for when I am in the ring showing off everything I had been working towards. Having a show lamb has taught me many amazing skills such as, being patient and understanding practice makes perfect, and acquiring extreme attention to detail skills.
