### **Description**

My name is Bella Skinner and I am a 7th grade Junior West Hardin FFA member. This is my third year to raise a pig but my first time to ever make it to show. I have been raising Bubbles since October. She loves back scratches and belly rubs. I have learned so much raising her. I have learned about what the different feeds will do, different ways to get her to walk and hold her head up and most importantly patience! Bubbles loves to get out in the yard and check out every thing. She is very nose. I will miss her but I plan to invest in another show animal for the next YMBL show.

I can't wait to show off all of my hard work. I appreciate any bids. Thank you!!
