### **Description**

My steer "Kong" is a Charolais cross steer. I've shown him many times across the year span I have had him. We have done very good at the prospect shows we have shown at. We have come a long ways from him trying to play dead and not walk to being a teddy bear and doing whatever you ask of him. If you would like to purchase this steer this money will go back to my senior year projects and towards my college fund. Also add-ons are greatly appreciated as well.

Thank you,

Jackson Akers
