Description

Hi my name is Blaycie. This is my second year in FFA and my first year to show a steer. Tucker is the product of a successful calf scramble at the Houston Livestock Show and Rodeo last spring. The experience the scramble offered me from catching, to picking out my steer, learning a new breed, bonding with him, traveling and building trust with him, competing, brining home banners and ribbons, making new friends, and building memories to last a lifetime is something I will never forget and always be thankful for. I hope that you can see how much work, dedication, and love went into my project this year. I am going to miss him terribly, but i know that our job together was done, and well. I would love to be able to use the proceeds from his sale towards a heifer. I plan on taking my knowledge of cattle and growing it, and breeding a heifer to see the process come full circle. It would also provide me the ability to have my little sister, who looks up to me and loves cattle, learn along side me and have a calf she can work with from beginning to end as well.
