First Name Levi

Last Name Hopson

FFA Chapter or 4H Club Name Newton 4-H

Validation Tag or Show reference# STSF 211

County Newton

City Newton

Type of Sale Terminal - Buyer Wins Project at High Bid

Description

This Charolais cross steer, that I've named Baller, is my 9th steer to raise. I started showing steers in 3rd grade. I have learned so much through the years about beef cattle. Baller was purchased in April 2021 from a reputable cattleman in Stephenville. He is currently consuming about twenty-five pounds of feed a day. You should see the top on this calf! He's going to produce high quality steaks for someone. I always strive to place well in shows and have won Grand Champion in several shows, but my ultimate goal is to produce top quality beef. My family owns a small commercial cattle and club calf operation. We value raising quality beef for other families to enjoy around their dinner table. I am excited to show Baller in Beaumont. I look forward to meeting you and discussing the beef cattle industry at the YMBL South Texas State Fair. Thank you for your support of our 4-H and FFA projects!
