**Description**

Hi my name is X'Zavion Hall. This year we bought my pig in Fredericksburg, Texas. I named my pig Chris. He is sometimes difficult to deal with. He is very muscular with a lot of meat. A buyers dream!!!

I have not show a pig in a few years. We have only shown goats, lamb, rabbits, heifers and steers. I am hoping everything goes good this year. I know that making the sale in the pig show is hard but would that just be great!
