**City** Montgomery

## Description

Hi my name is Audrey Grimmert and I'm a junior at Montgomery high school. This is my first year showing cattle and my second year in FFA. I joined FFA because I love animals and wanted the the experience of raising and showing them. I was registered to show my steer Randy at HLSR this year and was entered in the calf scramble. I was really looking forward to both. I was also registered to show at Montgomery county. I have enjoyed my experience with Randy. Over the last 9 months he has become my best friend. The money I raise will go towards my senior livestock project. Thank you all in advance for your donations.

**Quantity: 1**
