**Description**

Hello my name is Samantha Taub and this is my 8th year in 4-H. I have been in the Market goat project for 7 years. This project has been one of my favorite projects and one of the most fun to do. I have also started doing the breeding Goat project and have my own baby goats that sadly were too young to take to fair. I love goats because they can act like a dog and run around with you and are super nice animals. I do have a butcher date August 29th at Mountain View custom meats if needed. I hope to see anyone at fair and answer questions about goats or any others.

**Quantity:** 102
