Description

Hi my name is Colton Holub I'm in 10th grade and a member of waller ffa, I was registered to show at HLSR with my steer Pancho . Pancho is a 1100 pound shorthorn, he has had a good outing this past year with never getting less than reserve champion shorthorn and he was also named reserve champion British twice, we had high hopes for him at Houston this year. I was even set to scramble on the 17th which was on my birthday in hopes of catching a calf for my next project.
