My name is Nathan Blagg. I am in the Tokay Colony 4-H Club. I am 12 years old and in 7th grade at Lockeford School. This year is my fourth year showing a dairy replacement heifer for the San Joaquin County Ag Fest.

My dairy replacement heifer is a Holstein. I named her Rose. I purchased my heifer from Van Exel Dairy in Lodi. Rose is due to have her calf on August 19, 2022. She is Bred to Brabantdale Angler -ET. I am excited to show at fair again this year. The dairy heifer show and showmanship will be held on June 10, 2022. The heifer auction will be held on June 11, 2022 at 7:00 pm.

I have enjoyed being in the 4-H Shooting Sport Project. In addition to the dairy project, I am the Vice President of my 4-H club and was elected President for next year. In March I participated in the Modesto Junior College Dairy Judging Contest and placed first in my age division. I really enjoy raising dairy cattle and plan on showing again next year.

I understand that not everyone can purchase a dairy heifer, but I would appreciate any support that you can give.
