Description

Hello, my name is Payton Foreman. My parents are Michael and Trisha Foreman. I am in the Tokay Colony 4-H club. I am 9 years old and in the 4th grade at Lockeford School. This is my first year showing and selling a dairy replacement heifer for San Joaquin AgFest. The proceeds from selling my heifer will be used towards next year's project. I think I will either do a replacement heifer again or maybe a pig.

My heifers name is Darla and she is a Jersey. I purchased her from JNM Dairy. She is due to have her first calf July 27, 2022. I really enjoyed raising Darla and learning about how to care for her. I fed, walked, and washed her. She is always excited to eat her grain.

I know not everyone may be able to buy a dairy heifer however any support would be appreciated. I hope to see you at AgFest!
