Show Placing 4th Place

First Name Jordin

Last Name Lovett Hamada

FFA Chapter or 4H Club Name Escalon FFA

County San Joaquin

City Escalon

Type of Sale Terminal - Buyer Gets Project at High Bid

Description

My name is Jordin Lovett. I am currently a Freshman at Escalon High School, am a member of the EHS Girls Golf Team, and have earned my brown belt in karate. I compete in livestock judging and recently attended the California FFA State Conference and Cal Poly State Finals. I have earned the 2021-2022 Dairy Production Proficiency Award, along with academic awards for Ag Mechanics and Ag Biology, the Gold Involvement Medal, and my Greenhand Degree. I have previously shown dairy cattle with Escalon 4H, but this year I have chosen to show a Dairy Replacement Heifer. My heifer's name is Clementine and I purchased her from the Faria Dairy in Escalon, California. My everyday responsibilities include feeding her twice a day, washing her, and walking her. Overall, I have put in over 80 hours to ensure Clementine is in the best shape possible for AgFest. This project has helped expand my knowledge and understanding of Ag Business, animal production, and has helped build on my communication and cooperation skills. Your support will help me pursue my endeavors in FFA and my hopes in attending UC Davis for Vet Medicine.
