Description

Meet B.L.T.! Her favorite way to spend her day is playing in her sprinkler. I acquired her from a reputable breeder in the local area. This is my second year in market swine and I continue to learn about raising and training market animals. She has been steadily growing and enjoys her sprinkler in the hot weather. B.L.T. and her friends get bored easily and push around a tire and bowling ball for fun.

I have spent my summer working with B.L.T., boy scouts, work and football practice for Lakeland High School. I worked to ensure she is a quality animal for potential buyers through diet and care are skills I plan to continue.
