City Weatherford

Description

I am Klaire Morris, an 8th grader at Tison Middle School and I am a member of the Spring Creek 4H, through Parker County. I am presenting my Market Steer project for the Houston Livestock Show. "Prince" is an American Cross Steer. He was purchased from Foerster Cattle from Hereford, TX. Prince is currently weighing in at about 1350 lbs. I have spent many hours washing, brushing, drying, walking and loving on him to prepare him for the Houston Show. I am hoping to raise enough moey to purchase another steer for next years major shows. I appreciate you taking the time to place a

bid on Prince and all the other friends of mine who have been affected by what is facing our nation right now. Please share far and wide for others to contribute a little as well...anything helps to go towards my next project!

Quantity: 1
