Description

Where's the Beef? Right here of course!

My Name is Leo Knight and I'm taking my black and white Maine/Angus Cross steer to the North Idaho State Fair and as a bonus I already have a private butcher date secured. My steer's name is Marley and I have owned him since late September when I purchased him at auction from a local breeder, He a big steer who has a big personality, but then again so do I, His hobbies include showing, bucking, flipping over water troughs, and listening to Reggae. Many people were too nervous to take a chance on purchasing him due to it being known that he had a disposition that was as colorful as his hide but I took a chance and it paid off more than I ever could have imagined.

Marley and me (get it?) have been fortunate enough to travel to many shows over the past year and we have even been lucky enough to win a few but more importantly we

have learned so much and have met so many great new people. I plan to reinvest the money that I earn from selling my project this year into my 4H projects for this next year as I aim to further the Agriculture Industry. I have been blessed enough to be able to have some success with my animal this past year and I look to continue that with success at the North Idaho State Fair with your support!
